

# FOREST PRODUCTS

**MAXIMIZE YOUR CONNECTIVITY AND SPEED**

**STRATEGIC SOUTHEAST U.S. LOCATION** JAXPORT terminals integrate with three U.S. interstates, on-dock rail, 40 daily trains and more than 100 trucking and drayage firms to efficiently move your cargo.

**REAL-TIME ACCESS TO YOUR PAPER INVENTORY** JAXPORT's dedicated forest product terminal operators provide you with the tools you need to optimize your supply chain.

**ON-DOCK WAREHOUSING** Utilize up to 1 million square feet of on-dock warehouse space, including covered rail car loading areas designed to protect your cargo. Millions of square feet of additional space are located within minutes of JAXPORT's terminals.

**SAFE HANDLING** Jacksonville's skilled workforce offers a variety of labor options to handle all types of forest products from logs and lumber, to paper products and wood pulp, and more.

**GLOBAL CONNECTIONS** The port offers global services from container and breakbulk ocean carriers, including direct service with Asia, South America, Europe, the Caribbean and other key markets.
