ADDENDUM NO. 01

INVITATION TO BID

BIMT/TMT HANJUNG CRANE CATENARY TROLLEY RAIL PARTS JPA CONTRACT NO.: EQ-2045B

RESPONSE TO QUESTION(S)

1. The wheel drawing shows rim and tread to be heat treated to BHN 321-363 hardness. Would it be ok to use pre-heat treated material and no post machining heat treating? This material would be through hardened.

ANSWER: That works due to these parts never holding the load.

2. Required insurance 2.11 has "Not applicable" on my.pdf. Can I assume that we do not need to provide this info at this time? We are insured and have been for 61 years.

ANSWER: There is not an Insurance Requirement for this 'furnish and deliver' ITB.

3. Warranty requirement. We will always guarantee the parts will be made in accordance to the drawings and will replace any part that is found to be out of spec. How do we assure you of this? What documents would be required?

ANSWER: Respond to the Bid Form Document: "Manufacturer's Warranty"

4. Item #3...is any assembly required?

ANSWER: No.

5. Drawing 3RMQ9-47-124 is not readable please supply a clear drawing

ANSWER: See Addendum Attachment No. 2 for a picture of drawing 3RMQ9-47-124. A physical part will be provided to the Awarded contractor for acquiring exact measurements.

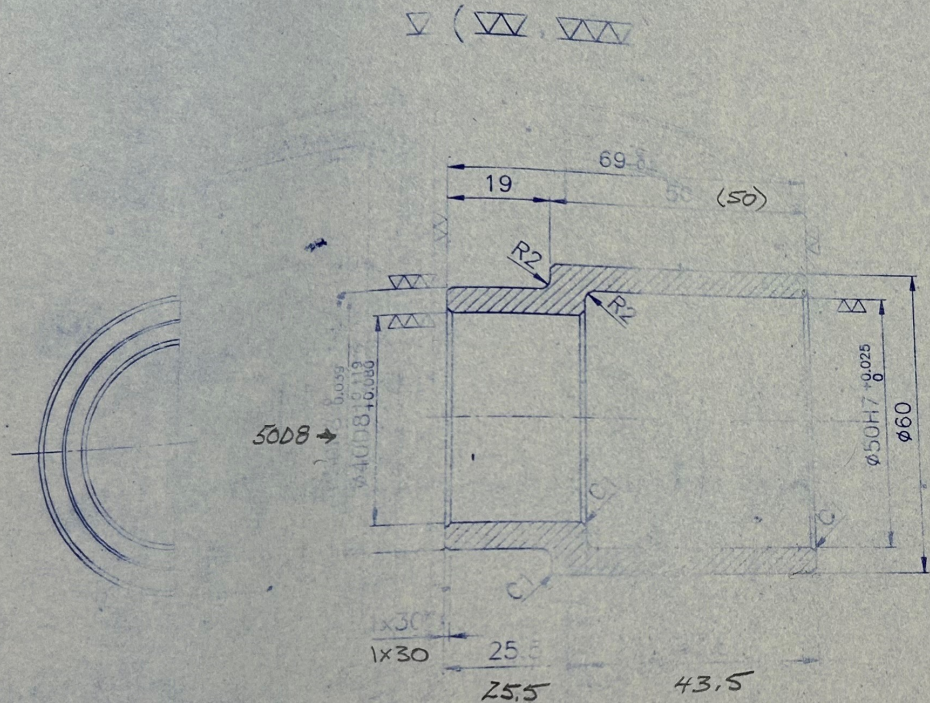

SPN-09-47-124
