2.10 SECURITY IMPLEMENTATION PROCEDURE

JAXPORT’s rigid security standards include the Federal Transportation Worker Identification Credential (TWIC) program, which is administered by the Transportation Security Administration. The TWIC is required for unescorted access to all JAXPORT terminals. It is your responsibility as the Prime Contractor to ensure that all of your employees and sub-contract personnel working for your company have been properly screened and credentialed with the TWIC, and the JAXPORT Business Purpose Credential.

Transportation Worker Identification Credential (TWIC)

The TWIC is required for all Prime Contractor/Sub-Contractor employees working on the job site for this Contract. This credential is for all personnel requiring unescorted access to secure-restricted areas of Maritime Transportation Security Act (MTSA)-regulated facilities. TSA will issue a tamper-resistant “Smart Card” containing the person’s biometric (fingerprint template) to allow for a positive link between the card and the individual.

The fee for obtaining each TWIC® is $125.25, and the credential is valid for five years. The pre-enrollment process can be initiated online at https://universalenroll.dhs.gov/ or at a IdentoGo TSA’s Universal Enrollment Service Center.

TWIC: Universal Enrollment Centers

The Jacksonville Universal Enrollment Center is located at: 12400 Yellow Bluff Road, Suite 202, Jacksonville, FL 32226. The office hours are Monday-Friday: 08:00 AM –1:00PM / 1:30PM- 4:00 PM, Note: There is no semi-trailer parking available at this Enrollment Center. For general information you can call the TWIC Call Center at 1-855-347-8371, Monday-Friday, 8 a.m. to 10 p.m. Eastern Time.

JAXPORT Business Purpose Credential

In addition to the TWIC, JAXPORT requires a JAXPORT Business Purpose Credential to be issued and registered at JAXPORT’s Access Control Center located at the 9820 Dave Rawls Blvd. Jacksonville Fl. 32226 (Brick Building next to the Main Gate concourse). Hours of operation are Monday-Friday 7:30AM-4:30PM. The JAXPORT Business Purpose Credential is issued at no cost but expires at the end of the contract provisions.

The JAXPORT prime contractor is responsible for sponsoring all sub-contractors for the JAXPORT Business Purpose Credential.

Federal Training Requirement: (33CFR 105.215) Maritime Security Awareness Training

JAXPORT is a federally regulated facility under the Maritime Transportation Security Act of 2002 (MTSA) as codified under the US Code of Federal Regulation 33 CFR Chapter 1, Subchapter H Part 105.

33 CFR 105.215-Security training for all other facility personnel. All other facility personnel, including contractors, whether part-time, full-time, temporary, or permanent, must have knowledge of Maritime security measures and relevant aspects of the TWIC program, through training or equivalent job experience.
To meet the requirements of 33 CFR 105.215; the Prime Contractor/Sub-Contractor employees and all support personnel: Engineers, Suppliers, Truck Drivers, Laborers, Delivery persons etc. (NO EXCEPTIONS) are required to attend JAXPORT’s Maritime Security Training given every Tuesday (10am, 2pm & 5pm) at JAXPORT’s Access Control Building. Contact the JAXPORT Access Control Center to arrange for the training. JAXPORT will work with Contractors to conduct timely Maritime Security Training classes for larger groups.

All Prime Contractor/Sub-Contractor employees working on the job site for JAXPORT are required to attend JAXPORT’s 33 CFR 105.215 (Security/Safety Training for All Other Facility Personnel) class at a cost of $35.00 per person. Arrangements can be made by calling JAXPORT Access Control Phone# (904) 357-3344.

**TWIC Escort Provisions**

To ensure contractors can begin work after they receive a Notice to Proceed, JAXPORT will allow prime contractors to have dedicated employee TWIC Escort(s) to handle those contractor employees who have not yet received their TWIC. **Contractor escorts will be required to purchase and wear a JAXPORT specifically approved ANSI Safety Vest (Blue).** Contractor employees under escort must be in possession of a TWIC receipt and wear a JAXPORT specifically ANSI Safety Vest (Orange). The cost of the vest(s) is $20.00 each and may be purchased at JAXPORT’s Access Control Office. **JAXPORT Approved TWIC Escort Vests:**

- ML KISHIGO Brilliant Series-Orange X Back
- FULLSOURCE ERB S340-Blue
  [https://www.fullsource.com/search/?keywords=erb%20s340%20%20blue](https://www.fullsource.com/search/?keywords=erb%20s340%20%20blue)

Contractor deliveries from Non-TWIC vendors may be escorted by JAXPORT approved Prime Contractor escorts. The prime contractor will be required to submit a request for TWIC Escort privileges to accesscontrol@jaxport.com. Once approved, the contractor’s employee(s) will attend a JAXPORT provided MTSA TWIC Escort Class in addition to the standard MTSA 33 CFR 105.215 Security Class at a combined cost of $55.00. These authorized individual(s) must have no collateral duties that will separate the escort from the escorted visitor while serving as escort. Note - Limitations to the number of TWIC Escort authorizations will be set by the JAXPORT Public Safety Department. Truck drivers, vendors, labor may not conduct escorts.

A Contractor authorized by JAXPORT to conduct an escort of a non-TWIC holder in a restricted area must have:

- Successfully completed MTSA 33 CFR 105.215 Security/ Escort Class at $55.00
- Have a valid TWIC on their person
- Have an approved JAXPORT TWIC ESCORT credential on their person
- Have a tamper-resistant laminated government issued photo identification card on their person.

TWIC Escorts must complete the JAXPORT TWIC Escort Form daily before getting to the access gate. The form will be kept on file at the JAXPORT Security Operations Center (SOC).

The Prime Contractor assumes full liability for the escorted person(s) while on JAXPORT property. The person under escort must have a continuous side by side escort in a secure-restricted area. Federally (USCG / TSA) imposed fines and or consequential damages resulting from a failed TWIC Escort by the Prime or Sub-contractor will be the responsibility of the JAXPORT Prime Contractor regardless of whether it is a direct employee.

**Federal regulation definition: 33.CFR 101.105**

*Escorting means:* ensuring that the escorted individual is continuously accompanied while within a secure area in a manner sufficient to observe whether the escorted individual is engaged in activities other than those for which escorted access was granted. This may be accomplished via having side-by-side companion or monitoring, depending upon where the escorted individual will be granted access. Individuals without TWIC may not enter restricted areas without having an individual who holds a TWIC as a side-by-side companion.
JAXPORT TWIC ESCORTS

JAXPORT may provide TWIC escorts with advanced notice (Minimum 24 hours). After review of the Contractors operation; JAXPORT will decide the number of escorts required to meet the federal regulation ratios of TWIC escort per non TWIC worker. This will be based on operational requirements.

JAXPORT TWIC Escort Tariff Fees: $125.00 first two hours; $50.00 every hour thereafter.

Examples:

1. $ 425.00 for one escort for an 8 hour day (=3 TWIC Credentials)
2. $2,125.00 for one escort for 5 days @ 8 hour days (=16 TWIC Credentials)

NOTE:
- All persons entering JAXPORT under TWIC Escort are required to have a tamper-resistant laminated government issued photo identification card on their person. The Identification Card must meet the USCG MTSA standards of 33 CFR 101.515. (State issued paper temporary drivers licenses are not acceptable identification).
- Any violations of the JAXPORT USCG approved Facility Security Plans will result in a Security Violation Hearing and be subject to temporary or permanent denial of access onto JAXPORT Terminals or ability to TWIC Escort.

(9) The Company breaches any of the representations or warranties;

(10) The Company is determined, in JAXPORT's sole opinion, to have misrepresented the utilization of funds or misappropriate property belonging to JAXPORT;

(11) Any material change in the financial or business condition of the Company.

If such expenses are more than the sum that would otherwise have been payable under the Contract, then the Company shall pay the amount of such excess to JAXPORT upon notice of the expenses from JAXPORT. JAXPORT shall not be required to obtain the lowest price for completing the Work under the Contract, but may make such expenditures that, in its sole judgment, shall best accomplish such completion. JAXPORT will, however, make reasonable efforts to mitigate the excess costs of completing the Work.

The Contract Documents shall in no way limit JAXPORT's right to all remedies for nonperformance provided under law or in equity, except as specifically set forth herein. In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JAXPORT. In such a case, JAXPORT may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JAXPORT has no responsibility whatsoever to issue notices of any kind, including but not limited to deficient performance letters and scorecards, to the Company regarding its performance prior to default by Company for performance related issues. JAXPORT shall have no liability to the Company for termination costs arising out of the Contract, or any of the Company's subcontracts, as a result of termination for default.

2.17 ASSIGNMENT

Due to the additional administrative burden placed on JAXPORT, the Bidder will not assign or otherwise transfer its rights under the Contract, without the express written consent of JAXPORT.
2.18 FORCE MAJEURE

A. Performance of this ITB by both JAXPORT and the Bidder will be pursued with due diligence in all requirements hereof; however, neither JAXPORT nor the Bidder will be considered in default in the performance of its obligations under this ITB to the extent that such performance is prevented or delayed by causes not within the control of either Party and not foreseeable or, if foreseeable cannot be avoided by the exercise of reasonable care, including, but not limited to, acts of civil or military authority (including but not limited to courts or administrative agencies); acts of God; war; riot; insurrection; inability to secure approval, validation or sale of bonds; inability to obtain any required permits, licenses or zoning; blockades; embargoes; sabotage; epidemics; fires; floods; strikes; lockouts; or collective bargaining. Upon any delay resulting from such cause the time for performance of each Party hereunder (including the payment of monies if such event prevents payment) will be extended for a period necessary to overcome the effect of such delays.

B. In case of any delay or nonperformance caused by the above causes, the Party effected will promptly notify the other in writing of the nature, cause, date of commencement and the anticipated extent of such delay, and will indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be affected by that.
