**PHYSICAL CHANGES TO CONTRACT SPECIFICATIONS**

**Item No. 1**

**Clarification:**

- There is a one-time mobilization fee at the beginning of the contract and a one-time demobilization fee at the end of the contract. As stated on a number of occasions those are the only mobilization fees allowed.
- For pricing purposes please follow the directions on the Price Proposal Form. The anticipated quantities are listed for the Other Miscellaneous Costs.
- As discussed on a number of occasions, the MAG is based on a total of 260,000 cubic yards. Use the historical information provided to determine proportional distribution between line 1 and line 2 to calculate your MAG value.
- As a reminder, this is an Invitation to Negotiate and not an Invitation to Bid. Price along with other criteria will be used to determine the competitive range. The final award will be based on best value. This is explained in the solicitation.
