**RESPONSE TO QUESTIONS
ADDENDUM NO. 02**

1. As you know, we were recently selected and contracted with JAXPORT under AE-177A. Are we precluded from participating on a JSEB-primed team for the Management and Inspection Services contract to provide specialty support due to this existing contract?

ANSWER: No, your contract awarded under AE-177A doesn't preclude you from being considered for sub-contracting work on this proposed contract. It is unlikely that you will be approved to inspect your own work as assigned under "Engineer of Record" in contracts issued under AE-177A.
