RESPONSE TO QUESTIONS

1. Would I be able to submit a bid for just one portion of the project? I would be interested in submitting a bid to furnish our comparable SpeedAlert radar speed signs and MUTCD speed limit signs. We are a speed and messaging sign manufacturer but do not provide infrastructure installations such as concrete pads or poles.

ANSWER: The project will require full installation of the signs. As such, partial bids are not acceptable. Any proposed contractor may contact you directly to obtain pricing for the signs. Your contact information is provided below:
