For the purpose of the RFP, a proposal is considered delivered when confirmation of delivery is provided by E-Builder and all required documents have been uploaded. Proposers must ensure that its electronic submission in E-Builder can be assessed and viewed at the time of the proposal opening. JAXPORT will consider any file that cannot be immediately accessed and viewed at the time of the proposal opening (such as, encrypted files, password protected files, or incompatible files) to be blank or incomplete as context requires, and are therefore unacceptable. Proposers will not be permitted to unencrypt files, remove password protections, or resubmit documents after proposal opening to make a file viewable if those documents are required with proposal. All expenses for submitting Proposals to JAXPORT are to be borne by the Proposer and will not be borne, charged to or reimbursed by JAXPORT in any manner or under any circumstance.

1.04 CONTRACT DOCUMENTS

The Contract Documents give the description of the work to be done under this Contract. The required qualifications of proposers, other technical information, applicable special conditions, term of the Contract and payment terms are also contained in these documents. The date, time and place of the receipt and opening of proposals are listed in Article 1.02 above.

1.05 EXAMINATION OF CONTRACT DOCUMENTS

The Proposer is required to carefully examine the sites of the work and the Contract documents. It will be assumed that the Proposer has investigated and is fully informed of the conditions, the character, and quality of work to be performed, any materials and equipment to be furnished, and of the requirements of the Contract documents.

1.06 OBLIGATION OF PROPOSERS

The Proposer must become fully aware of JAXPORT's requirements for the Contract. Failure to do so will not relieve a successful Proposer of its obligation to furnish the material, equipment and labor necessary to carry out the provisions of the Contract Documents and to complete the work at the prices proposed.

In addition, the Proposer will be held responsible for having examined the details of the proposed scope of work. The Proposer will use its personal knowledge and experience or professional advice as to the character of the proposed work and any other conditions surrounding and affecting the proposed work. The submittal of a Proposal will be construed as evidence that all Proposer obligations have been satisfied and no subsequent allowance will be made in this regard.

1.07 QUESTIONS & ADDENDUM

Any questions regarding this Request for Proposals (RFP) should be directed to **Jerrie Gunder, Contract Specialist** and submitted either by email to jerrie.gunder@jaxport.com or submittal through E-Builder. Answers to questions will be released on an Addendum directed to all known prospective proposers registered in the E-Builder's website and advertised on JAXPORT's website under Active Solicitations at <https://www.jaxport.com/procurement/>

The deadline for questions will be FRIDAY, MAY 13, 2022 by 9:00 AM (EST).

No interpretation of the meaning of the specifications or other Contract Documents, or corrections of any apparent ambiguity, inconsistency or error therein, will be made to any Proposer orally. Any request for such interpretations or corrections must be made in writing.

Any such request which is not received prior to the above deadline date for questions will not be considered. All such interpretations and supplemental instructions will be in the form of written Addendum to the Contract Documents, which if issued, will be e-mailed to all known prospective proposers. However, it is the responsibility of each Proposer, before submitting its Proposal, to contact Procurement Services at (904) 357-3455 to determine if any Addendum have been issued and to make such Addendum a part of its Proposal. Only the interpretation or correction so given by JAXPORT in writing will be binding, and prospective proposers are advised that only JAXPORT will give information concerning, or will explain or interpret the RFP Documents.

All blank spaces must be complete and all the item fields acknowledged prior to submittal. If applicable, also provide evidence of registration with the Secretary of State of the State of Florida for doing business in the State of Florida.
- H. Failure to submit all information requested will result in a proposal being considered “non-responsive,” and therefore will be rejected.

1.09 RESPONSIBLE PROPOSER CRITERIA

1.10 WITHDRAWAL OF PROPOSAL

Any Proposal may be withdrawn in E-Builder until the date and time set above for opening of the Proposals. Any Proposal not so withdrawn will, upon opening, constitute an irrevocable offer for one hundred eighty (180) days (or until one or more of the Proposals have been duly accepted by JAXPORT, whichever is earlier) to provide JAXPORT the services set forth in the attached specifications. JAXPORT action on Proposal normally will be taken within sixty (60) days of opening; however, no guarantee or representation is made as to the time between the proposal opening and the subsequent JAXPORT action.

1.11 DISQUALIFICATIONS OF PROPOSERS

Any of the following causes may be considered sufficient for the disqualification of a Proposer and rejection of the Proposal:

Items 'C' and 'D' above will be considered by JAXPORT after the opening of Proposals, and, if found to apply to any Proposer, JAXPORT will notify the Proposer that its Proposal will not be considered for an award of the Contract. The Proposer has five (5) business days to appeal in writing this decision to JAXPORT Chief Executive Officer, via Procurement Services, and the decision of the Chief Executive Officer will be final.

By submitting a proposal in response to this RFP, the Proposer warrants that it has not employed or retained a company or person, other than a bonafide employee or sub proposer, working in its employ, any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award of making a contract with JAXPORT.

1.14 REJECTIONS OF IRREGULAR PROPOSALS

Proposals will be considered irregular and may be rejected if they show omissions, alterations of form, additions not called for, conditions, limitations, unauthorized alternate proposals or other irregularities of any kind. JAXPORT reserves the right to waive any non-conformance or irregularities of proposals, or to reject any or all proposals, in whole or in part, whenever such non-conformance or irregularities are minor and such action is deemed to be in the best interest of JAXPORT.

In this regard, JAXPORT reserves the right to reject any and all Proposals, in whole or in part, and to waive any non-conformance or any other irregularities received in said proposal, to reject any and all request for proposals and to accept the proposal which in its judgment will be in the best interest of JAXPORT.

1.23 EX-PARTE COMMUNICATION PROHIBITED

JAXPORT believes that any ex-parte communication concerning the solicitation, evaluation, and selection process denies all firms submitting proposals fair, open, and impartial consideration. Adherence to procedures which ensure fairness is essential to the maintenance of public confidence in the value and soundness of the important process of public procurement of professional services. Therefore, during the solicitation, evaluation, and selection process, any ex-parte communication between a firm, its employees, agents, or representatives; and JAXPORT, its members, employees, agents, legal counsel, or representatives; other than JAXPORT’s designated representative identified herein, is strictly prohibited. Failure to execute the Agreement as provided in these documents within twenty (20) days from the date of Notice of Award may be just cause, unless such failure has been caused by JAXPORT, for JAXPORT to annul and void the award. Award may then be made to another Proposer, or the contract may be re-advertised, as in the best interest of both entities. No award will be binding upon JAXPORT until the agreement has been executed by all appropriate parties.

4.01 GENERAL OVERVIEW

The Jacksonville Port Authority (JAXPORT) is a full-service international trade seaport located in the Southeastern United States and the global gateway to the State of Florida, the third most populous state in the nation.

JAXPORT owns, maintains and markets three cargo terminals, two intermodal rail terminals and one passenger cruise terminal along the St. Johns River.

JAXPORT and its maritime partners handle a variety of cargoes, including:

- containerized freight
- automobiles, recreational boats and construction equipment (roll-on roll-off or Ro/Ro)
- breakbulk commodities
- dry and liquid bulks and
- over-sized and specialty cargoes.

JAXPORT's three marine terminals handled more than 10 million tons of cargo in 2021, including more than 1.4 million TEUs (containers) – making Jacksonville the largest container handling port in Florida – and 610,000+ vehicles, ensuring JAXPORT's ranking as one of the top vehicle ports in the U.S.

JAXPORT features 19 container cranes, warehousing, Foreign Trade Zone status and intermodal connections enhanced through its two container rail yards. To help speed goods to market, shippers can take advantage of Jacksonville's location at the crossroads of three major railroads (CSX, Norfolk Southern and Florida East Coast Railway) and three interstate highways (I-95, I-10, and I-75).

Cargo activity through the Port of Jacksonville generates 138,500 jobs in Florida and supports nearly \$31.1 billion in annual economic output for the region and state.

JAXPORT's Vision

JAXPORT will be a global leader in diversified trade and supply chain solutions, focused on efficiency and fiscal integrity.

JAXPORT's Mission

Creating jobs and opportunity by offering the most competitive environment for the movement of cargo and people in a safe and secure workplace.

4.02 MINIMUM QUALIFICATIONS

- A minimum of twenty (20) years of total experience in the maritime cargo industry. Of this total, at least eight years of either sales, marketing or maritime operations experience is required.
- A demonstrated knowledge of recent and current seaport cargo market and business environments in order to maximize current revenues and future earnings for the port.

Consultant cannot work for or represent a competing port as defined by JAXPORT.

4.03 SCOPE OF SERVICES

The Jacksonville Port Authority (JAXPORT) is soliciting proposals from “Qualified Consultants” interested in providing comprehensive Cargo Sales and Business Consultant Services on a part-time basis, assisting our sales and cargo development efforts to grow cargo volumes and maximize current and future revenue growth at JAXPORT. This role specifically will engage current and prospective clients with a concentration in the New York/New Jersey area and the surrounding market. Primary responsibilities will include conducting sales calls and determining market strategies for potentially any cargo type handled at JAXPORT, with a concentration on customer relations with Container and Roll On/Roll Off ocean carriers, as well as key BCOs and NVOs, with potential to assist across all cargo types. The ability to develop and maintain business relationships with cargo decision makers within JAXPORT’s targeted areas of interest is of utmost importance.

1. The Cargo Sales and Business Consultant selected will be expected to provide professional services on a part-time basis for up to twenty (20) hours per week. Most work will be conducted during regular business hours; however, some evening work and weekend travel will be required. The Consultant will establish and maintain relationships with decision makers and cargo influencers within these accounts, make in-person sales calls, conduct video conference calls and utilize email and phone contact as needed to educate current and potential JAXPORT customers of port capabilities and updates, answer questions regarding JAXPORT and provide customer service to maintain existing business and pursue new cargo opportunities. Additionally, beneficial cargo owners, forwarders and other accounts located within the entire territory will require sales and customer service coverage by the Consultant.

2. Provide marketing analysis and evaluation of potential areas of business growth in the Northeast Region (ME, VT, NH, MA, RI, DE, PA, MD and DC) with specific concentration in the New York/New Jersey market areas. The consultant will evaluate potential business given JAXPORT’s operational capabilities and a value proposition determined for each current or prospective customer.
 - As requested, determine details of potential new business by state, city, commodity group (Containers, Ro/Ro or Other) and by trade region with specific concentration in the New York/New Jersey area.
 - Identify and prioritize most profitable opportunities to maximize revenue growth with heavy emphasis on the following: ocean carriers, terminal operators, freight forwarders and Custom house brokers, NOVCCs, 3rd Party logistics firms, Importers, exporters, Beneficial Cargo Owners, consignees, manufacturers and service providers necessary in the facilitation of cargo through JAXPORT. Consultant will contact these customers as needed, initiate and conduct sales calls, and perform all follow up sales duties as needed or directed.

Recommend short and long-term strategies to maximize future revenue growth.

3. Assess current trade and economic environment to determine any potential impact of state and federal legislation; carrier mergers, acquisitions and other economic conditions that may impact future trade and investment opportunities relating specifically to JAXPORT.
4. Work closely with Jacksonville-based sales and marketing team members at JAXPORT to coordinate Consultant sales efforts.
5. File monthly expense report (via email) to JAXPORT’s Finance Office and JAXPORT’s Director and General Manager of Business Development.

- To improve managerial reporting related to corporate card purchases.
- To improve efficiency and reduce costs of payables processing.

Policies

1. JAXPORT corporate cards have been assigned for all employees and the corporate cards are maintained in the Finance Department by the Manager of Treasury & Compensation. A traveler must notify the Manager of Treasury & Compensation prior to booking travel to have the card activated for use. Approximately, 24 to 48 hours prior to travel beginning, the traveler will be required to sign out their corporate card with the Finance Department. This will ensure that they are able to pay for any charges incurred while on travel for the port.
2. Corporate cards will only be used for legitimate business and travel expenses. Personal purchases of any type are *not* allowed.
3. Cash advances on corporate cards are *not* allowed.
4. Cardholders will be required to sign an agreement indicating they accept these terms. Individuals who do not adhere to these policies and procedures risk revocation of their corporate card privileges and/or disciplinary action.
