Proposals should be prepared in the order of the evaluation criteria detailed in Article IV, 4.06 of the RFP, and tabs should be used to separate and label the sections according to the criteria. 1.09 RESPONSIBLE PROPOSER CRITERIA

1.10 WITHDRAWAL OF PROPOSAL

Any Proposal may be withdrawn by written request of the Proposer until the date and time set above for opening of the Proposals. Any Proposal not so withdrawn will, upon opening, constitute an irrevocable offer for one hundred eighty (180) days (or until one or more of the Proposals have been duly accepted by JAXPORT, whichever is earlier) to provide JAXPORT the services set forth in the attached specifications. JAXPORT action on Proposal normally will be taken within sixty (60) days of opening; however, no guarantee or representation is made as to the time between the proposal opening and the subsequent JAXPORT action.

1.11 DISQUALIFICATIONS OF PROPOSERS

Any of the following causes may be considered sufficient for the disqualification of a Proposer and rejection of the Proposal:

- A. Submission of more than one Proposal for the same work by an individual, firm, partnership or corporation under the same or different names. If a company has more than one division, only one Proposal may be submitted for the company.
- B. Evidence of collusion among Proposers.

- C. Incomplete work for which the Proposer is committed by contract which, in the judgment of JAXPORT, might hinder or prevent the Proposer with complying with the requested scope of services under this Contract if awarded to such Proposer.

For purposes of this section, corporations, partnerships or companies, or firms or other business entities created for the purpose of shielding any individual, firm, Partnership Corporation, or other business entity from the application of this provision may be considered for disqualification.
- E. Items 'C' and 'D' above will be considered by JAXPORT after the opening of Proposals, and, if found to apply to any Proposer, JAXPORT will notify the Proposer that its Proposal will not be considered for an award of the Contract. 1.14 REJECTIONS OF IRREGULAR PROPOSALS

Proposals will be considered irregular and may be rejected if they show omissions, alterations of form, additions not called for, conditions, limitations, unauthorized alternate proposals or other irregularities of any kind. JAXPORT reserves the right to waive any non-conformance or irregularities of proposals, or to reject any or all proposals, in whole or in part, whenever such non-conformance or irregularities are minor and such action is deemed to be in the best interest of JAXPORT.

In this regard, JAXPORT reserves the right to reject any and all Proposals, in whole or in part, and to waive any non-conformance or any other irregularities received in said proposal, to reject any and all request for proposals and to accept the proposal which in its judgment will be in the best interest of JAXPORT.

ARTICLE IV SCOPE OF SERVICES

4.01 GENERAL OVERVIEW

The Jacksonville Port Authority (JAXPORT) is a full-service international trade seaport in the Southeastern United States. JAXPORT owns, maintains and markets three cargo terminals, two intermodal rail terminals and one passenger cruise terminal along the St. Johns River.

JAXPORT and its maritime partners handle containerized cargo, automobiles (RoRo), dry and liquid bulks, breakbulk commodities, and over-sized and specialty cargoes. JAXPORT's three marine terminals handled a total of 10.9 million tons of cargo in FY19, including more than 1.3 million TEUs (containers) – making Jacksonville the largest container handling port in Florida – and nearly 696,500 vehicles, making JAXPORT one of the nation's busiest vehicle handling ports.

Dozens of ocean carriers call JAXPORT, offering shippers competitive transit times to/from 140 ports in more than 70 countries. Port terminals are located within minutes of three major interstates: I-10, I-75 and I-95 – providing access to more than 70 million U.S. consumers within a day's drive.

JAXPORT is served by 100 trucking firms and 40 daily trains via Class I railroads CSX and Norfolk Southern, regional rail line Florida East Coast Railway, and on-dock rail providers. JAXPORT's intermodal connections offer seamless access to markets throughout the Southeastern U.S., Mississippi and Ohio River valleys, and Midwest.

JAXPORT is Northeast Florida's economic engine — cargo activity through Jacksonville's seaport positively impacts more than 26,000 jobs in Northeast Florida and supports nearly \$31.1 billion in annual economic output for the region and state. II. Objectives

- To allow JAXPORT personnel access to efficient and alternative means of payment for approved expenses primarily related to business travel and expenses.
- To improve managerial reporting related to corporate card purchases.
- To improve efficiency and reduce costs of payables processing.

Policies

1. JAXPORT corporate cards have been assigned for all employees and the corporate cards are maintained in the Finance Department by the Manager of Treasury & Compensation. A traveler must notify the Manager of Treasury & Compensation prior to booking travel to have the card activated for use. Approximately, 24 to 48 hours prior to travel beginning, the traveler will be required to sign out their corporate card with the Finance Department. This will ensure that they are able to pay for any charges incurred while on travel for the port.
2. Corporate cards will only be used for legitimate business and travel expenses. Personal purchases of any type are *not* allowed.
3. Cash advances on corporate cards are *not* allowed.
4. Cardholders will be required to sign an agreement indicating they accept these terms. Individuals who do not adhere to these policies and procedures risk revocation of their corporate card privileges and/or disciplinary action.
5. Upon termination of employment, all individuals who maintain their corporate cards directly, must cut the corporate card in half and give it to Human Resources who will, in turn, notify the Manager of Treasury & Compensation.
6. Travelers who do not maintain their corporate cards directly, must turn in their corporate credit card to the Manager of Treasury & Compensation directly after travel.

Process

1. **Receipts:** Detailed receipts must be retained and attached to expense reports. In the case of meals and port promotions, each receipt must include the names of all persons involved in the purchase, and a brief description of the business purpose of the purchase, in accordance with Port Promotion, SOP 1242. In addition, single receipts under \$30.00 or multiple receipts not exceeding \$50.00, where the employee has paid for an out of pocket expense within Duval County, can be reimbursed directly from petty cash in Human Resources with a detailed receipt.
2. **Expense Report:** Expense reports must be promptly completed and submitted via the established process to enable timely payment of amounts due. All expenses charged while on travel will display on the expense tab in Concur for the traveler to import into their expense report. Please note that charges can take anywhere from seven to ten day to display in Concur based on when the charge was processed through the vendor and bank.
