RESPONSE TO QUESTION(S)

1. In regards to time for completion and liquidated damages....

Will this be waived? There is no equipment that is built to order right now that can be produced and installed in this 40 day time frame. The work could however be completed within 40 days from time of equipment arrival.

ANSWER: The Construction Notice to Proceed will be issued on the date the equipment is delivered to the contractor. The 40 days construction duration will start on that date.
