#### **1.04 CONTRACT DOCUMENTS**

The Contract Documents give the description of the work to be done under this Contract. The required qualifications of proposers, other technical information, applicable special conditions, term of the Contract and payment terms are also contained in these documents. The date, time and place of the receipt and opening of proposals are listed in Article 1.02 above.

#### **1.05 EXAMINATION OF CONTRACT DOCUMENTS**

The Proposer is required to carefully examine the sites of the work and the Contract documents. It will be assumed that the Proposer has investigated and is fully informed of the conditions, the character, and quality of work to be performed, any materials and equipment to be furnished, and of the requirements of the Contract documents.

#### **1.06 OBLIGATION OF PROPOSERS**

The Proposer must become fully aware of JAXPORT's requirements for the Contract. Failure to do so will not relieve a successful Proposer of its obligation to furnish the material, equipment and labor necessary to carry out the provisions of the Contract Documents and to complete the work at the prices proposed.

In addition, the Proposer will be held responsible for having examined the details of the proposed scope of work. The Proposer will use its personal knowledge and experience or professional advice as to the character of the proposed work and any other conditions surrounding and affecting the proposed work. The submittal of a Proposal will be construed as evidence that all Proposer obligations have been satisfied and no subsequent allowance will be made in this regard.

Answers to questions will be released on an Addendum directed to all known prospective proposers registered in the E-Builders website and advertised on JAXPORT's website under Active Solicitations at <https://www.jaxport.com/procurement/>

**The deadline for questions will be MONDAY, FEBRUARY 12, 2024 by 9:00 AM (ET).**

No interpretation of the meaning of the specifications or other Contract Documents, or corrections of any apparent ambiguity, inconsistency or error therein, will be made to any Proposer orally. Any request for such interpretations or corrections must be made in writing.

Any such request which is not received prior to the above deadline date for questions will not be considered. All such interpretations and supplemental instructions will be in the form of written Addendum to the Contract Documents, which if issued, will be e-mailed to all known prospective proposers. However, it is the responsibility of each Proposer, before submitting its Proposal, to contact Procurement Services at (904) 357-3455 to determine if any Addendum have been issued and to make such Addendum a part of its Proposal. Only the interpretation or correction so given by JAXPORT in writing will be binding, and prospective proposers are advised that only JAXPORT will give information concerning, or will explain or interpret the RFP Documents.

Emphasis should be on completeness and clarity of content and ease of locating responses to requested information.
- G. Any information thought to be relevant, but not applicable to the enumerated scope of services, should be uploaded as an Appendix to the Proposal. If publications "box copies" are supplied by a Proposer, the Proposal should include reference to a document number and/or page number of that Appendix material. Proposals not providing this reference will be considered to have no additional material to be considered during the evaluation process.

#### **1.10 WITHDRAWAL OF PROPOSAL**

Any Proposal may be withdrawn in E-Builder until the date and time set above for opening of the Proposals. Any Proposal not so withdrawn will, upon opening, constitute an irrevocable offer for one hundred eighty (180) days (or until one or more of the Proposals have been duly accepted by JAXPORT, whichever is earlier) to provide JAXPORT the services set forth in the attached specifications. JAXPORT action on Proposal normally will be taken within sixty (60) days of opening; however, no guarantee or representation is made as to the time between the proposal opening and the subsequent JAXPORT action.

## **1.11 DISQUALIFICATIONS OF PROPOSERS**

Any of the following causes may be considered sufficient for the disqualification of a Proposer and rejection of the Proposal:

- E. Items 'C' and 'D' above will be considered by JAXPORT after the opening of Proposals, and, if found to apply to any Proposer, JAXPORT will notify the Proposer that its Proposal will not be considered for an award of the Contract. The Proposer has five (5) business days to appeal in writing this decision to JAXPORT Chief Executive Officer, via Procurement Services, and the decision of the Chief Executive Officer will be final.

JAXPORT and its representatives shall not be responsible for any error or omission in the RFP.

## **1.13 CONTINGENCY FEES PROHIBITED**

By submitting a proposal in response to this RFP, the Proposer warrants that it has not employed or retained a company or person, other than a bonafide employee or sub proposer, working in its employ, any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award of making a contract with JAXPORT.

## **1.14 REJECTIONS OF IRREGULAR PROPOSALS**

Proposals will be considered irregular and may be rejected if they show omissions, alterations of form, additions not called for, conditions, limitations, unauthorized alternate proposals or other irregularities of any kind. JAXPORT reserves the right to waive any non-conformance or irregularities of proposals, or to reject any or all proposals, in whole or in part, whenever such non-conformance or irregularities are minor and such action is deemed to be in the best interest of JAXPORT.

In this regard, JAXPORT reserves the right to reject any and all Proposals, in whole or in part, and to waive any non-conformance or any other irregularities received in said proposal, to reject any and all request for proposals and to accept the proposal which in its judgment will be in the best interest of JAXPORT.

## **1.23 EX-PARTE COMMUNICATION PROHIBITED**

JAXPORT believes that any ex-parte communication concerning the solicitation, evaluation, and selection process denies all firms submitting proposals fair, open, and impartial consideration. Failure to execute the Agreement as provided in these documents within twenty (20) days from the date of Notice of Award may be just cause, unless such failure has been caused by JAXPORT, for JAXPORT to annul and void the award. Award may then be made to another Proposer, or the contract may be re-advertised, as in the best interest of both entities. No award will be binding upon JAXPORT until the agreement has been executed by all appropriate parties.

- The Summary box at the top of the page maintains a running total of your entries for reference.

4. Click  (Save). Ensure that your work is saved periodically.

2. Optionally provide a reason for your recall and then click **Yes, I am sure**.  
Your previous submission information is displayed on the Response Form tab.

The system will not permit you to submit your proposal or bid after the deadline regardless of where you are in the process. As stated, the Submit button is systematically disabled promptly at the deadline and JAXPORT is unable to see anything you have uploaded prior to the bid due date/time. No late submissions will be permitted or accepted. Please plan accordingly.*
- If the bid manager adds or changes a bid item, or publishes an addendum, your bid will be set back to a Draft status. You will receive an email notification and will be required to reconfirm your bid and resubmit.
- When you need to step away from entering the quote, click  (Save). It is recommended that you save every 15 minutes. This will ensure that your changes are saved.

- If you have your qualifications in Word® or another program, copy and paste them into the qualifications.
- It is required that you acknowledge all the addenda, even if they do not pertain to your trade.
- It is recommended that you submit your quote at least 60 minutes before the due time so that you can rectify any errors. To submit the proposal, you must complete all the fields and acknowledge the addenda items.
- Failure to submit all information requested will result in a proposal or bid being considered “non-responsive,” and therefore will be rejected.
