SECTION 1 REQUEST FOR QUALIFICATIONS OVERVIEW, RESPONSE PROCEDURES AND SCHEDULE OF EVENTS
--

1.01 OVERVIEW

The Jacksonville Port Authority (JAXPORT) is a full-service international trade seaport in the Southeastern United States and the global gateway to the State of Florida, the third most populous state in the nation.

JAXPORT owns, maintains and markets three cargo terminals, two intermodal rail terminals and one passenger cruise terminal along the St. Johns River.

JAXPORT and its maritime partners handle a variety of cargoes, including:

- containerized freight
- automobiles, recreational boats and construction equipment (roll-on roll-off or Ro/Ro)
- breakbulk commodities
- dry and liquid bulks and
- over-sized and specialty cargoes.

JAXPORT's three marine terminals handled a total of 9.9 million tons of cargo in 2020, including more than 1.27 million TEUs (containers) – making Jacksonville the largest container handling port in Florida – and 550,000+ vehicles, ensuring JAXPORT's ranking as one of the top vehicle ports in the U.S.

JAXPORT features 19 container cranes, warehousing, Foreign Trade Zone status and intermodal connections enhanced through its two Intermodal Container Transfer Facilities (ICTF). To help speed goods to market, shippers can take advantage of Jacksonville's location at the crossroads of three major railroads (CSX, Norfolk Southern and Florida East Coast Railway) and three interstate highways (I-95, I-10, and I-75).

Cargo activity through the Port of Jacksonville generates 138,500 jobs in Florida and supports nearly \$31.1 billion in annual economic output for the region and state.

JAXPORT's Vision

JAXPORT will be a global leader in diversified trade and supply chain solutions, focused on efficiency and fiscal integrity.

JAXPORT's Mission

Creating jobs and opportunity by offering the most competitive environment for the movement of cargo and people.

JPA will be entitled to control any remedial action and any legal proceeding relating to an environmental claim; and

(c) Intellectual Property Liability, including without limitation any and all claims, suits, demands, judgments, losses, costs, fines, penalties, damages, liabilities and expenses (including all costs for investigation and defense thereof including, but not limited to, court costs, reasonable expert witness fees and attorney's fees), arising directly or indirectly out of any allegation that the Services, any product generated by the Services, or any part of the Services, constitutes an infringement of any copyright, patent, trade secret or any other intellectual property right and will pay all costs (including, but not limited to attorney's fees and court costs), damages, charges and expenses charged to the Indemnified Parties by reason thereof. If in any suit or proceeding, the Services, or any product generated by the Services, is held to constitute an infringement and its use is permanently enjoined, the Indemnifying Parties shall, immediately, make every reasonable effort to secure for the Indemnified Parties a license, authorizing the continued use of the Service or product. If the Indemnifying Parties fail to secure such a license for the Indemnified Parties, then the Indemnifying Parties shall replace the Service or product with a non-infringing Service or product or modify such Service or product in a way satisfactory to JPA, so that the Service or product is non-infringing; and

The indemnifications in this Section 2.16 are separate and apart from, and are in no way limited by, any insurance provided pursuant to the Agreement or otherwise. This Section 2.16 shall survive the expiration or termination of the Agreement. Each party will cooperate in the investigation, defense and settlement of claims and liabilities that are subject to indemnification hereunder, and each party will obtain the prior written approval of the other Party before entering into any settlement of such claim or liability, which consent shall not be unreasonably withheld, delayed or conditioned.

2.17 WAIVER OF IRREGULARITIES

The JPA may waive minor informalities or irregularities in SOQ's received where such is merely a matter of form and not substance, and the correction or waiver of which is not prejudicial to other Consultant Firm Teams. Minor irregularities are defined as those that will not have an adverse effect on the JPA's interest and will not affect the review of the SOQ's by giving a Consultant Firm Team an advantage or benefit not enjoyed by other Proposers.

2.18 FUNDING SOURCES

It is anticipated that the projects assigned under this RFQ will involve JPA and Florida Department of Transportation funding sources. The Consultant Firm must be sensitive to these provisions of the Proposal format as it applies to the JAXPORT Small Emerging Business (SEB) Enterprise Program as well as 49 CFR Part 26, as amended. The JPA supports FDOT's overall DBE goal of STATE funded Contracts.

The Consultant Firm and its Sub Consultant Firms agree to ensure that Disadvantaged Business Enterprises as defined in 49 CFR Part 26, as amended, have the maximum opportunity to participate in the performance of contracts of this Agreement. While the utilization of DBE's is not mandatory in order to be awarded this contract, continuing utilization of DBE firms on contracts support the success of Florida's voluntary DBE program and supports Contractor's Equal Employment Opportunity and DBE affirmative action programs.

2.19 CONTINGENT FEES PROHIBITED

(a) "The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement." For the breach or violation of this provision, the agency shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

(b) Any individual, corporation, partnership, firm, or company, other than a bona fide employee working solely for an architect, professional engineer, or registered land surveyor and mapper, who offers, agrees, or contracts to solicit or secure agency contracts for professional services for any other individual, company, corporation, partnership, or firm and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or the making of a contract for professional services shall, upon conviction in a competent court of this state, be found guilty of a first degree misdemeanor, punishable as provided in s. [775.082](#) or s. [775.083](#), Florida Statutes, as amended.

(c) Any architect, professional engineer, or registered surveyor and mapper, or any group, association, company, corporation, firm, or partnership thereof, who offers to pay, or pays, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or making of any agency contract for professional services shall, upon conviction in a state court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. [775.082](#) or s. [775.083](#), Florida Statutes, as amended.

(d) Any agency official who offers to solicit or secure, or solicits or secures, a contract for professional services and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon the award or making of such a contract for professional services between the agency and any individual person, company, firm, partnership, or corporation shall, upon conviction by a court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. [775.082](#) or s. [775.083](#), Florida Statutes, as amended.

2.20 TRUTH IN NEGOTIATION

The Consultant Firm understands and agrees that execution of the RFQ shall be deemed to be a simultaneous execution of a Truth-In-Negotiation Certificate under this provision to the same

extent as if such certificate had been executed apart from this Agreement, such certificate being required by Section 287.055, Florida Statutes, as amended. Pursuant to such certificate, the Firm hereby states that the wage rates and other factual unit costs supporting the compensation hereunder are accurate, complete and current at the time of contracting. Further the Firm agrees that the compensation hereunder shall be adjusted to exclude any significant sums where the JPA determines the contract price was increased due to inaccurate, incomplete or noncurrent wage rates and other factual unit costs, provided that any and all such adjustments shall be made within one (1) year following the completion date of this Agreement.

2.21 COLLUSION

The Proposer, by affixing his signature to this proposal agrees to the following: "Proposer certifies that this proposal is made without any previous understanding, agreement or connection with any person, firm, or corporation making a bid for the same service; and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action."

2.22 AUDIT PROVISIONS

2.23 TERMINATION FOR DEFAULT

If through any cause within the reasonable control of the successful Consultant Firm, it shall fail to fulfill in a timely manner, or otherwise violate any of the covenants, agreements, or stipulations material to the Agreement, the JPA shall thereupon have the right to terminate the services then remaining to be performed by giving written notice to the successful Consultant Firm of such termination which shall become effective upon receipt by the successful Consultant Firm of the written termination notice.

In that event, the JPA shall compensate the successful Consultant Firm in accordance with the Agreement for all services performed by the Consultant Firm prior to termination, net of any costs incurred by the JPA as a consequence of the default. Notwithstanding the above, the successful Consultant Firm shall not be relieved of liability to the JPA for damages sustained by the JPA by virtue of any breach of the Agreement by the Consultant Firm, and the JPA may reasonably withhold payments to the successful Consultant Firm for the purposes of set off until such time as the exact amount of damages due to the JPA from the successful Consultant Firm is determined.

2.24 TERMINATION FOR CONVENIENCE

The JPA may, for its convenience, terminate the services then remaining to be performed at any time without cause by giving written notice to successful Consultant Firm of such termination,

which shall become effective thirty (30) days following receipt by Consultant Firm of such notice. In that event, all finished or unfinished documents and other materials shall be properly delivered to the JPA. If the Agreement is terminated by the JPA as provided in this section, the JPA shall compensate the successful Consultant Firm in accordance with the Agreement for all services actually performed by the successful Consultant Firm and reasonable direct costs of successful Consultant Firm for assembling and delivering to the JPA all documents. No compensation shall be due to the successful Consultant Firm for any profits that the successful Consultant Firm expected to earn on the balance of the Agreement. Such payments shall be the total extent of the JPA's liability to the successful Consultant Firm upon a termination as provided for in this section.

2.25 BREACHES AND DISPUTE RESOLUTION

Disputes – Disputes arising in the performance of the Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the JPA (the “Authorized Representative”). In connection with any such appeal, the Consultant Firm shall be afforded an opportunity to be heard and to offer evidence in support of its position. Remedies – Unless the contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the JPA and the Consultant Firm arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in court of competent jurisdiction within the JPA in which the JPA is located.

Rights and Remedies – The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the JPA, (Architect) or Consultant Firm shall constitute a waiver of any right or duty afforded by any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

2.26 EX-PARTE COMMUNICATIONS PROHIBITED

The JPA believes that any ex-parte communication concerning the solicitation, evaluation, and selection process denies all firms submitting proposals fair, open, and impartial consideration.

Adherence to procedures which ensure fairness is essential to the maintenance of public confidence in the value and soundness of the important process of public procurement of professional services. Therefore, during the solicitation, evaluation, and selection process, any ex-parte communication between a firm, its employees, agents, or representatives; and the JPA, its members, employees, agents, legal counsel, or representatives; other than the JPA's designated representative identified herein, is strictly prohibited. Failure to observe this requirement shall result in rejection of a firm's proposal. However, this paragraph will in no way limit Consultant's ability to satisfy any governmental required disclosure of its relationship with JPA.

2.33 MODIFICATIONS; WAIVERS

The Agreement may be modified or amended only by a writing signed by each of the parties hereto. No delay or omission of either party to exercise any right power or remedy hereunder shall be construed to waive any default or breach, or to constitute acquiescence therein. No waiver of any default or breach hereunder shall extend to or affect any subsequent default or breach or other existing default or breach.

2.34 FORCE MAJEURE

Performance of this RFQ by both JPA and the Consultant will be pursued with due diligence in all requirements hereof; however, neither JPA nor the Consultant will be considered in default in the performance of its obligations under this RFQ to the extent that such performance is prevented or delayed by causes not within the control of either Party and not foreseeable or, if foreseeable cannot be avoided by the exercise of reasonable care, including, but not limited to, acts of civil or military authority (including but not limited to courts or administrative agencies); acts of God; war; riot; insurrection; inability to secure approval, validation or sale of bonds; inability to obtain any required permits, licenses or zoning; blockades; embargoes; sabotage;

Upon any delay resulting from such cause the time for performance of each Party hereunder (including the payment of monies if such event prevents payment) will be extended for a period necessary to overcome the effect of such delays.

In case of any delay or nonperformance caused by the above causes, the Party effected will promptly notify the other in writing of the nature, cause, date of commencement and the anticipated extent of such delay, and will indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be affected by that.

3.4 Security Implementation Procedure

JAXPORT’s rigid security standards include the Federal Transportation Worker Identification Credential (TWIC) program, which is administered by the Transportation Security Administration. The TWIC is required for unescorted access to all JAXPORT terminals. It is your responsibility as the Prime Contractor to ensure that all of your employees and sub-contract personnel working for your company have been properly screened and credentialed with the TWIC, and the JAXPORT Business Purpose Credential.

Transportation Worker Identification Credential (TWIC)

This credential is for all personnel requiring unescorted access to secure-restricted areas of Maritime Transportation Security Act (MTSA)-regulated facilities. TSA will issue a tamper-resistant “Smart Card” containing the person’s biometric (fingerprint template) to allow for a positive link between the card and the individual.

The fee for obtaining each TWIC® is \$125.25, and the credential is valid for five years. The pre-enrollment process can be initiated online at <https://universalenroll.dhs.gov/> or at an IdentoGo TSA’s Universal Enrollment Service Center.

TWIC: Universal Enrollment Centers

Escorted employees must have a TWIC receipt validated by Access Control to receive a temporary JAXPORT Business Purpose credential.

Contractor deliveries from Non-TWIC vendors may be escorted by JAXPORT approved Prime Contractor escorts. The prime contractor will be required to submit a request for TWIC Escort privileges to accesscontrol@jaxport.com . Once approved, the contractor's employee(s) will attend a JAXPORT provided MTSA TWIC Escort Class in addition to the standard MTSA 33 CFR 105.215

Federally (USCG / TSA) imposed fines and or consequential damages resulting from a failed TWIC Escort by the Prime or Sub-contractor will be the responsibility of the JAXPORT Prime Contractor regardless of whether it is a direct employee.

Federal regulation definition: 33.CFR 101.105

Escorting means: ensuring that the escorted individual is continuously accompanied while within a secure area in a manner sufficient to observe whether the escorted individual is engaged in activities other than those for which escorted access was granted. This may be accomplished via having side-by-side companion or monitoring, depending upon where the escorted individual will be granted access. Individuals without TWIC may not enter restricted areas without having an individual who holds a TWIC as a side-by-side companion.

JAXPORT TWIC ESCORTS

JAXPORT may provide TWIC escorts at Tariff rate with advanced notice (Minimum 24 hours).

After review of the Contractors operation; JAXPORT will decide the number of escorts required to meet the federal regulation ratios of TWIC escort per non-TWIC worker. This will be based on operational requirements.

Escorts

Truck drivers, vendors, labor may not conduct escorts. The only exception will be given to the ILA President, Vice President and Business Agent when escorting for purposes other than labor.

Truck Drivers: Truck drivers at the gate with no TWIC and/or no escort into a restricted area, will be turned around and will be assisted by security traffic control to safely park until such time as the escort arrives. Truck drivers are responsible for making contact with their approved escort; JAXPORT security is not responsible for arranging or providing escorts. Escort must assume written custody of the driver. For cargo trucks, escorts may be in a vehicle providing the escort is able to visually observe the escorted at all times. This policy DOES NOT apply to POVs.

Contractors: Contractors without a JAXPORT badge and TWIC to access the port will be under escort as defined in this policy.

Contract Security (performing security duties): Must have a JAXPORT credential and a TWIC badge and may not be escorted.

Hired Escorts: Hired escorts would be commercial companies providing escort services for tenants in restricted areas; they must be sponsored by a tenant and may be vetted and approved with additional training and an administrative fee.

Vendors: Vendors without a TWIC will be turned away unless they have a dedicated & approved TWIC escort.

Visitors: According to Florida State Law, visitors without JAXPORT credentials may only visit five times in a 90-day period; this policy will remain in effect. Visitors should be vetted at least 24-hours in advance and await escort at the gate where they are seeking access. **A person with a TWIC badge, but without a JAXPORT credential will be treated as a "5/90" visitor.**

Vessel Crewmembers: When a vessel visits a JAXPORT terminal, the vessel's crew commonly needs to work in the immediate vicinity of their vessel (handling lines, taking draft readings, etc.). Some vessel crew may not have a TWIC, or they may not be U.S. Merchant Mariners. Although the dock, pier, or platform the vessel is moored to, is defined as a restricted area. There is no requirement to escort any of the vessel crewmembers that do not have a TWIC while they work alongside their vessel. **The area of dock directly adjacent to the vessel and extending in shore 18 feet from the vessel shall be designated the Crewmember Confinement Area (CCA).**

Vessel crewmembers may be escorted by approved escorts provided they complete the *TWIC Escort form* and escort under no more than a 1 to 5 ratio (excluding labor, contractors, and vendors). Prior to and upon completion of the escort, they are to contact the JAXPORT SOC at 904.357.3360.

Vessels, in coordination with the calling facility, shall ensure all crewmembers do not access Restricted Areas without approved escort. Any crewmember found outside the Crew Confinement Area (CCA) without a TWIC or approved escort may be considered a security breach under the JAXPORT FSP.

Seamen Center workers, ship's agents, etc. who may pick up crewmembers outside the CCA must have TWIC Escort forms on hand and deliver them to the nearest facility gate once completed.

New Hire Provision: **If a new hire moves from a secured to a restricted access area, they require side-by-side escort by a TWIC holder at all times.** If an individual is a newly hired vessel or facility employee who has applied for but not yet received a TWIC, the Authority/operator may grant the individual accompanied access to secure areas of the vessel or facility. This accompanied access may be granted for a period of up to 30 consecutive calendar days from the date of TWIC enrollment, after notification through Homeport that the individual has passed the name-based check. Accompanied access may be extended for an additional 30 days by the local COTP if TSA has not yet issued the new hire's TWIC.

Company/tenant/operator is responsible for reporting and verifying new hires via Homeport. This provision **may not** be used to grant temporary accompanied access to an individual being hired as a CSO, VSO, or FSO or any individual being hired to perform security as a primary duty.

Rail Access

Rail Access: It is the Coast Guard's position that, due to the unique aspects of railroad operations that can impact security at MTSA facilities, all railroad crew servicing secure areas of a MTSA facility should possess a TWIC. The following applies at:

Blount Island Marine Terminal: CSX will contact JAXPORT SOC via e-mail in advance of train arrival on BIMT to report crew TWIC status; if a crewmember does not possess a TWIC, JAXPORT contract security will provide escort. At no time will JAXPORT contract security personnel board trains or cross train tracks.

Talleyrand Marine Terminal: All Railroad personnel entering TMT must be in possession of a TWIC.

Any violation of the JAXPORT TWIC rail policy will be treated as a security breach under the JAXPORT FSP.

Additional Comments:

The following standards must be met for escorting in the restricted areas of JAXPORT:

1. Escorts must have in their possession a valid TWIC and a permanent JAXPORT credential.
2. Visitors must have a verified reason to enter the restricted area.
3. Side by side escort requirement must be continual and uninterrupted.
4. The person escorting must be able to immediately contact JAXPORT Security Operations Center at (904.357.3360), as indicated on TWIC Escort Form.
5. JAXPORT Security must be notified if the side by side escort has been compromised or the non-TWIC holder engages in unlawful or suspicious activity.
6. Non-TWIC holders will not be allowed to occupy a privately-owned vehicle (POV) without a JAXPORT authorized escort.
7. TWIC Escort Form indicates Facility and FSO responsible for the action of the escorted & employees.

3.6 Authority's Representative.

The Authority shall designate a person to act as the Authority's representative with respect to the work to be performed under this Agreement, and such person shall have complete authority to transmit instructions; receive information; interpret and define Authority's policies and decisions with respect to materials; equipment, elements and systems pertinent to the services covered by this Agreement, except where the Authority is required to act through its appointed Governing Board. If through any cause within the reasonable control of the successful Consultant Firm, it shall fail to fulfill in a timely manner, or otherwise violate any of the covenants, agreements, or stipulations material to the Agreement, the Authority shall thereupon have the right to terminate the services then remaining to be performed by giving written notice to the successful Consultant Firm of such termination which shall become effective upon receipt by the successful Consultant Firm of the written termination notice.

In that event, the Authority shall compensate the successful Consultant Firm in accordance with the Agreement for all services performed by the Consultant Firm prior to termination, net of any costs incurred by the Authority as a consequence of the default. 4.3 Termination for Convenience.

The Authority may, for its convenience, terminate the services then remaining to be performed at any time without cause by giving written notice to successful Consultant Firm of such termination, which shall become effective thirty (30) days following receipt by Consultant Firm of such notice. In that event, all finished or unfinished documents and other materials shall be properly delivered to the Authority. If the Agreement is terminated by the Authority as provided in this section, the Authority shall compensate the successful Consultant Firm in accordance with the Agreement for all services actually performed by the successful Consultant Firm and reasonable direct costs of successful Consultant Firm for assembling and delivering to the Authority all documents. No compensation shall be due to the successful Consultant Firm for any profits that the successful Consultant Firm expected to earn on the balance of the Agreement. Such payments shall be the total extent of the Authority's liability to the successful Consultant Firm upon a termination as provided for in this section.

4.4 Receipt of Notice.

Date of receipt of termination notice shall be established either by Certified Mail Return Receipt or hand delivery with receipt, at the Authority's option.

4.5 Events upon Termination.

or any other certificate, document, writing or other instrument delivered by the Indemnifying Parties pursuant to the Agreement.

The indemnifications in this Section 5.1.1 are separate and apart from, and are in no way limited by, any insurance provided pursuant to the Agreement or otherwise. This Section 5.1.1 shall survive the expiration or termination of the Agreement. To the extent an Indemnified Party exercises its rights under this Section 5.1.1, the Indemnified Party will (1) provide reasonable notice to Authority of the applicable claim or liability, and (2) allow Authority to participate in the litigation of such claim or liability (at Authority's expense) to protect its interests. Pursuant to such certificate, the Firm hereby states that the wage rates and other factual unit costs supporting the compensation hereunder are accurate, complete and current at the time of contracting. Further the Firm agrees that the compensation hereunder shall be adjusted to exclude any significant sums where the Authority determines the contract price was increased due to inaccurate, incomplete or noncurrent wage rates and other factual unit costs, provided that any and all such adjustments shall be made within one (1) year following the completion date of this Agreement.

JAXPORT and its contractors agree to ensure that DBEs have the opportunity to participate in the performance of this contract. In this regard, all contractors shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that the DBEs have the opportunity to perform contracts. JAXPORT's contractors and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this contract.

11.2 DBE Utilization

The Florida Department of Transportation (FDOT) began its race neutral DBE program on January 1, 2000. Contract specific goals are not placed on State funded contracts; however, the FDOT has an overall 10.65% goal it must achieve. JAXPORT has adopted the FDOT's DBE Program goal. The DBE participation goal for this contract is 0%; however, DBE participation is strongly encouraged. Further information about the FDOT's DBE Program goal can be found at: www.dot.state.fl.us/equalopportunityoffice/.

JAXPORT will be monitoring potential or anticipated DBE utilization for contracts. When the low bidder executes the contract, information will be requested of the contractor's anticipated DBE participation for the project. While the utilization is not mandatory in order to be awarded the project, continuing utilization of DBE firms on contracts supports the success of Florida's Voluntary DBE Program, and supports contractors' Equal Employment Opportunity and DBE Affirmative Action Programs. FDOT's search engine for the business directory can be found at: <https://www3.dot.state.fl.us/EqualOpportunityOffice/biznet/mainmenu.asp>

Contract Assurance: The Consultant, Subrecipient, or subconsultant shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of Department-assisted contracts. Failure of the Consultant to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as JAXPORT deems appropriate, which may include, but is not limited to, 18-009.

1. Withholding monthly progress payments
2. Assessing sanctions;
3. Ligated damages; and/or

The "Anticipated DBE Participation Statement" shall be completed and submitted by the Contractor at the pre-construction conference. The Statement must only include companies certified as a DBE. The Statement can and should be updated when additions or deletions are made through the life of the contract. This will not become a mandatory part of the contract. It will assist JAXPORT and FDOT in tracking planned or estimated DBE participation.

The Contractor must submit the Statement to:

2831 Talleyrand Avenue
Jacksonville, Florida 32206
