

PORT JOBS

[JAXPORT.COM/JOBS](https://jaxport.com/jobs)

In Northeast Florida, 26,282 people are employed in port-dependent positions, up 8 percent since 2013. Containerized cargo generates nearly 6,000 direct jobs, the highest of any cargo type.

The number of positions statewide related to cargo activity at the Port of Jacksonville has grown to 138,500 - up from 42,647 a decade ago.

WORKING FOR JACKSONVILLE PORT AUTHORITY (JAXPORT)

About 150 people work directly for the Jacksonville Port Authority (JAXPORT) in a variety of areas, from equipment and facility maintenance to accounting, marketing, port operations and more.

WORKING IN AND AROUND THE PORT OF JACKSONVILLE

More than 99 percent of "port" jobs (longshoremen, truckers, warehouse workers and more) in Jacksonville are provided by a large network of private companies doing business in and around JAXPORT facilities.
