

FTZ NO. 64

AWARD-WINNING FTZ NO. 64: FLORIDA'S LARGEST FOREIGN TRADE ZONE

STREAMLINED CUSTOMS CLEARANCE

A Foreign Trade Zone (FTZ) is a secured site within the United States, but technically considered outside of U.S. Customs' jurisdiction, allowing shippers to clear cargo as it leaves the FTZ while saving on import clearance costs.

OPERATE MORE EFFICIENTLY

Increase cash flow and save a significant amount of money on imported cargo shipments or manufacturing and distribution operations by using FTZ No. 64.

PORT-MANAGED FTZ

JAXPORT serves as the grantee for FTZ No. 64 and the port's sales team have more than 20 years of experience with FTZ processes.

ROOM TO GROW

FTZ No. 64 operates under the Alternative Site Framework (ASF), which extends the zone to include nine counties and more than 5,000 square miles within Northeast Florida. There is 138 million square feet of distribution center and warehousing space within close proximity to the port.

EASY INTEGRATION

The FTZ's Alternative Site Framework allows for easy integration into the program using your company's existing site/location and business plan.

FAST APPROVALS

Storage and distribution sites can be approved in 30 days or less; manufacturing and processing plants can be approved within 120 days or less. Southern, and Florida East Coast Railway.

AVAILABLE SPACE

Some of the country's best industrial land sites and existing FTZ public warehouses are available within FTZ No. 64.

FREE SAVINGS SOLUTIONS
