A MESSAGE FROM JAXPORT

WE ARE PLEASED TO PRESENT JAXPORT'S ANNUAL DIRECTORY, a great resource filled with information about our port's capabilities as well as the hundreds of service providers fulfilling your cargo needs here in Northeast Florida.

In the past year we have made significant strides to become the port of the future, where our port partners and customers thrive. We are achieving noteworthy progress on our single greatest opportunity for growth – the project to deepen the Jacksonville shipping channel to 47 feet. I can report the project is well underway and on track to finish two years ahead of schedule.

Other significant projects include:

- A $240 million expansion of a major terminal operator at our Blount Island Marine Terminal to create a state-of-the-art, international container facility, paving the way for larger containerships to call Jacksonville; and,
- an expansion of our vehicle-handling capabilities with a new facility at our Dames Point Marine Terminal.

These projects are a direct response to the port's growing cargo volumes. In 2019, JAXPORT reached record levels across our diverse line of cargo types – maintaining JAXPORT's status as one of the nation's top vehicle-handling ports and Florida's largest container port.

These numbers speak to the great diversity of business moving through JAXPORT today and the momentum leading into the future.

JAXPORT is strategically positioned to help you access the world as well as the growing consumer base in Florida and the entire Southeast U.S. Whether you are a shipper or carrier, port tenant or service provider, our talented team stands ready to create a customized solution that helps you seamlessly connect your cargo with your customers.

RAIL CONNECTIONS

MORE OPTIONS

Jacksonville offers 40 daily trains via two Class I railroads – CSX and Norfolk Southern – and regional railroad Florida East Coast Railway. Jacksonville Port Terminal Railroad provides direct switching service for Norfolk Southern and CSX railroads out at the port's Talleyrand terminal.

DOUBLE THE INTERMODAL ADVANTAGE

JAXPORT offers not one but two intermodal container transfer facilities – one on-dock Intermodal Container Transfer Facility (ICTF) at the Talleyrand Marine Terminal; and one near-dock ICTF at the Dames Point Marine Terminal.

READY TO ROLL HIGH AND WIDE

JAXPORT has the highest and widest cargo clearance available for port access by rail on CSX's national system: 20 feet high and 13 feet wide.

REINFORCED ON-DOCK RAIL

The heavy lift berth at JAXPORT's Blount Island Marine Terminal ranks as one of the nation's highest weight-bearing capacity docks, offering up to 1,800 pounds per square foot of load capacity, and 78 kips per axle for heavy cargo.

FACILITIES

JAXPORT TERMINALS

JAXPORT is a 1,500-acre, full-service, international trade seaport located in the Southeastern United States offering service from dozens of ocean carriers.

JAXPORT owns, maintains and markets three cargo terminals, two intermodal rail terminals and one passenger cruise terminal along the St. Johns River: Blount Island Marine Terminal, Dames Point Marine Terminal, Talleyrand Marine Terminal, the Talleyrand Intermodal Container Transfer Facility (ICTF), the Dames Point ICTF and the JAXPORT Cruise Terminal.

JAXPORT's three marine terminals handle every type of general and project cargo.

The port's location in Jacksonville, Florida, at the crossroads of the nation's rail and highway network offers close proximity to manufacturing facilities in the Southeast U.S. and more than 70 million U.S. consumers.

BLOUNT ISLAND MARINE TERMINAL

9620 DAVE RAWLS BLVD. JACKSONVILLE, FL 32226

Spanning 754 acres, JAXPORT's largest marine facility – the Blount Island Marine Terminal – handles containerized freight, autos, heavy lift cargo, breakbulk and liquid bulk products.

Located 12.5 nautical miles (23.2 km) from the sea buoy, the Blount Island Marine Terminal offers 7,094 linear feet (2,163m) of deep water berths and features three Super Post Panamax container cranes, four Post Panamax container cranes, two dedicated RoRo berths and a heavy lift cargo berth with up to 1,800 pounds per square foot of load capacity and 78 kips per axle.

Blount Island also features:

> Auto processors with 250 acres of open storage and 300,000 square feet of auto processing facilities,
>
> 240,000-square feet of transit shed space,
>
> a 90,000-square-foot container freight station for cross-dock efficiency, and
>
> terminal expansion with SSA Atlantic (see page 42).

In addition to on-terminal rail and proximity to JAXPORT's intermodal facility at Dames Point, the Blount Island terminal offers shippers fast access to major highways I-95 and I-10.

9600 NEW BERLIN ROAD
JACKSONVILLE, FL 32226

JAXPORT's Intermodal Container Transfer Facility (ICTF) at Dames Point, is conveniently located next to TraPac Jacksonville. It is a short dray from the Blount Island Marine Terminal, allowing for the direct transfer of containers between vessels and trains.

Ceres Rail Services manages the day-to-day operations and maintenance of the facility.

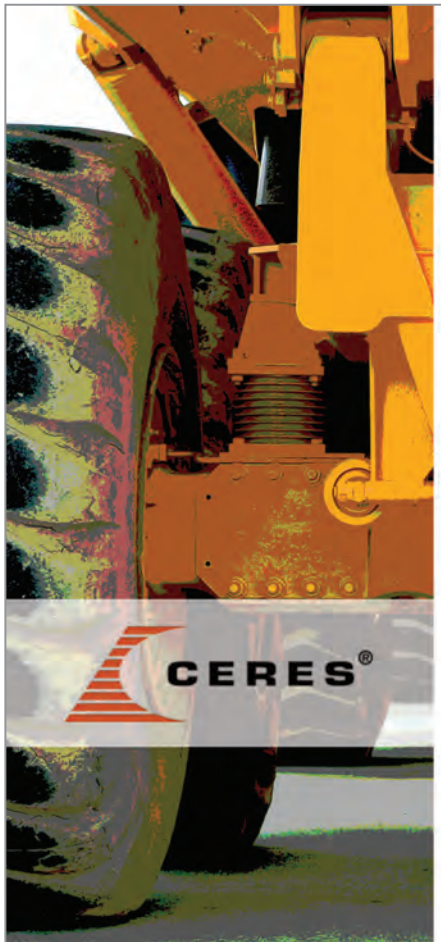

Rail that connects to CSX's main line allows for two unit trains each day (one inbound and one outbound) carrying up to 200 containers each. Two truck lanes allow vehicles to transport containers to and from the adjacent shipping terminals.

SERVICE HIGHLIGHTS

- 15,400 LINEAR FEET OF TRACK
- SERVICE FROM: ATLANTA, CHICAGO, DETROIT
- SERVICE TO: ATLANTA, CHICAGO

FOR INFORMATION ON USING THE ICTF, CONTACT YOUR CSXT INTERMODAL INTERNATIONAL CONTAINER ACCOUNT MANAGER.

FOR QUESTIONS ABOUT CARGO AT JAXPORT'S ICTF, CONTACT CERES RAIL SERVICES AT (904) 779-3635.

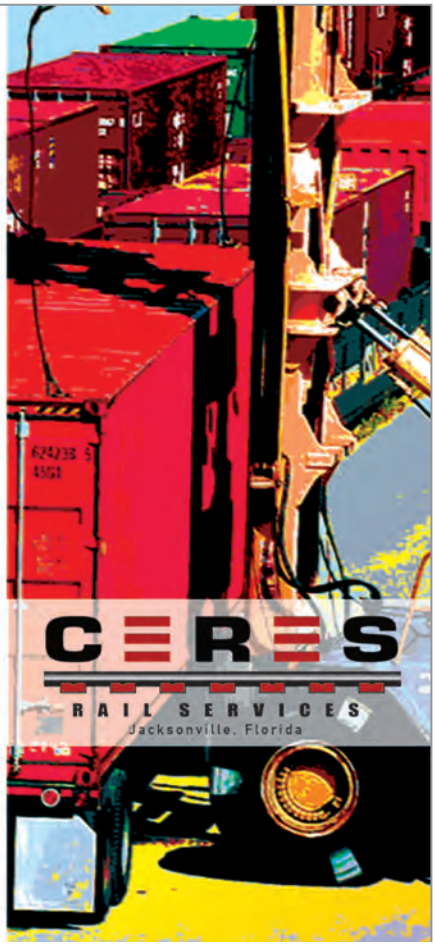

RORO to RAIL

JAXPORT is home to Ceres' RORO operations and the Intermodal Container Transfer Facility (ICTF). At Blount Island Marine Terminal, we perform stevedoring and terminal operations which include Roll on/Roll-off cargo, autos, self-propelled vehicles and mafis/trailers with oversized cargo. At Dames Point, Ceres Rail Services handles the day-to-day operations of JAXPORT's on-dock rail facility, the Intermodal Container Transfer Facility (ICTF). The transfer of containers between vessels and CSX's rail network speeds up the shipment process and reduces the number of trucks on the road.

From RORO to Rail, Ceres Marine Terminals and Ceres Rail Services keep JAXPORT rolling along with quality and efficiency while delivering world class service.

JACKSONVILLE'S TRANSPORTATION ECOSYSTEM

GLOBAL TRADE MAGAZINE SAYS JACKSONVILLE IS ONE OF THE BEST CITIES FOR LOGISTICS INFRASTRUCTURE

Northeast Florida is home to more than 750 businesses serving the transportation and logistics industry.

CLOSER TO MARKET

Jacksonville's strategic location allows shippers to reach a market of more than 70 million consumers within a one-day truck drive.

JAXPORT's intermodal connections help you connect to the consumer base regionally as well as to markets throughout the Southeastern U.S., Mississippi and Ohio River Valleys, and Midwest.

SUPERIOR LOGISTICS

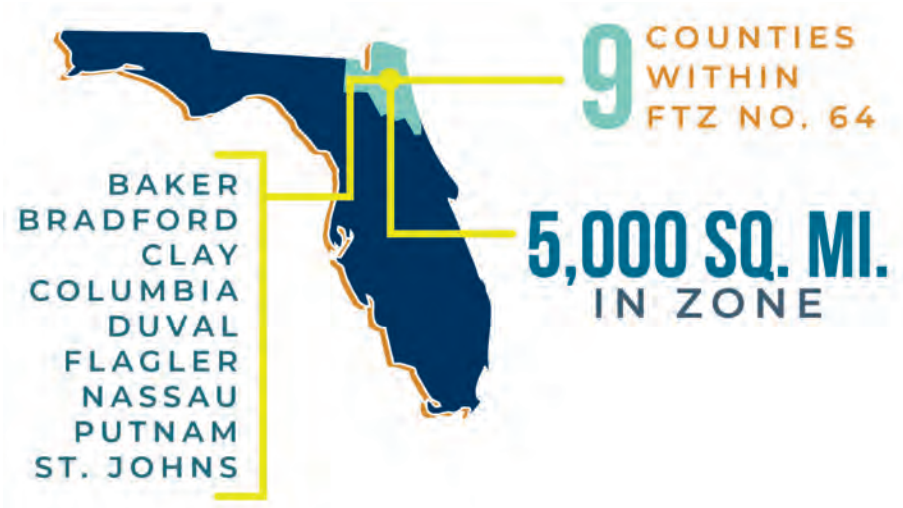

JAXPORT terminals integrate seamlessly with three U.S. interstates, on-dock rail, 40 daily trains and more than 100 trucking and drayage firms. The port's equal balance of imports and exports provides backhaul opportunities, maximizing transportation savings.

THE JACKSONVILLE ADVANTAGE

Northeast Florida features 130 million square feet of warehousing and distribution space, a labor force of 845,000+ workers, and streamlined clearances via Foreign Trade Zone No. 64.

With your choice of intermodal services, dozens of ocean carriers, a growing consumer base and outstanding highway and rail connections – you'll find Jacksonville offers a combination simply unmatched in the Southeastern United States.

FOREIGN TRADE ZONE NO. 64

JAXPORT's Foreign Trade Zone No. 64 is Florida's largest Foreign Trade Zone allowing shippers to increase cash flow and save a significant amount of money on imported cargo shipments or manufacturing and distribution operations.

Storage and distribution sites can be approved in 30 days or less; manufacturing and processing plants can be approved within 120 days or less.

CONNECT WITH JAXPORT for a personalized look at how your business can benefit from operating in FTZ No. 64.

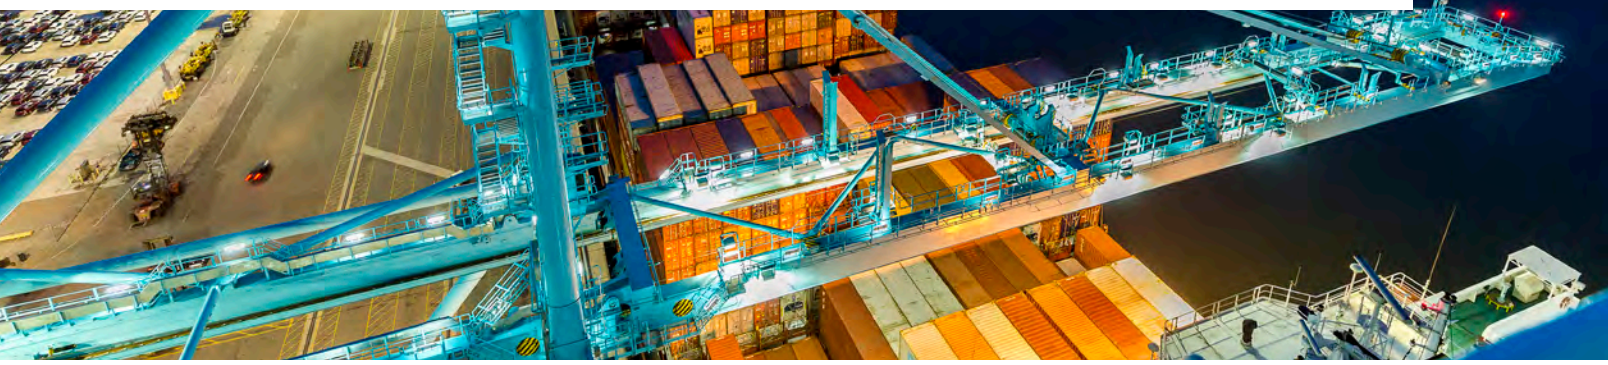

A word for SSA Atlantic.
Innovative.

That's why we operate at more ports than any other company in the world - handling every type of cargo. SSA Atlantic is an industry leader in the forefront of innovation for gate, yard and vessel operations.

JAXPORT VOTED NO. 1 IN THE NATION FOR SERVICE EXCELLENCE

JAXPORT has been voted the top port in the nation for customer satisfaction and performance excellence by readers of Logistics Management magazine.

Subscribers to the magazine represent some of the top shippers in the transportation and distribution industry.

The port earned the highest overall weighted score of all U.S. ports in the publication's annual survey, Quest for Quality, where readers rated ports on five factors:

Ease of doing business – Port contacts are responsive to customer needs.

Value – The benefits of using this port are measurable.

Ocean carrier network – Port provides a balance of inbound and outbound calls.

Intermodal network – Port offers a balance of truck and rail services.

Equipment and operations – Port provides quality services for containerized cargo shipments.

"This award symbolizes something that many in the industry already know– customer service is at the heart of everything we do here at JAXPORT."

– CEO Eric B. Green

LEADING THE CLEAN FUEL REVOLUTION

Jacksonville is on the cutting edge of energy innovation with the implementation of liquefied natural gas (LNG) as a maritime fuel.

From multimillion-dollar investments in LNG-powered vessels to the development of landside bunkering and liquefaction plants, ocean carriers serving JAXPORT and their suppliers are world leaders in LNG applications for the maritime industry.

JAXPORT is the only East Coast port to serve vessels powered by LNG with on-dock and near-dock fueling capabilities.

LNG GROWTH OPPORTUNITIES

Small scale exports of LNG to Puerto Rico are currently being moved through JAXPORT as the port and its partners look at ways to expand service to countries in the Caribbean and Latin America, as well as to markets throughout the world.

As more vessel owners adopt LNG as a marine fuel to comply with environmental regulations and to reduce their carbon footprint, Jacksonville is equipped with the infrastructure to supply the growing global demand for LNG in the maritime industry.

TOTE Maritime Puerto Rico sails out of JAXPORT's Blount Island terminal.

Crowley's LNG-powered vessels serve Puerto Rico from JAXPORT's Talleyrand terminal.

JACKSONVILLE: A GLOBAL DESTINATION FOR BUSINESS

Whether you're looking for top talent, a high quality of life or friendly business climate, Jacksonville, Florida ranks as a top region across the board.

Here are a few of the reasons Jacksonville is a leading destination for business:

- No personal income tax and 5th lowest tax climate in the country
- 1.5 million residents in the 7-county region provide a rich diversity and growing talent pool
- Cost of living below the national average and one of the most competitive in the Southeast
- An average of 220 days of sunshine and 90 miles of beaches
- 3rd largest military population in the U.S.

BUILDING THE PORT OF THE FUTURE

HARBOR DEEPENING PROJECT PHASES

As the owner and manager of Jacksonville's public ship terminals, JAXPORT is committed to the ongoing enhancement of port infrastructure and facilities.

HARBOR DEEPENING

Jacksonville's main shipping channel is being deepened from its current depth of 40 feet to a depth of 47 feet. The U.S. Army Corps of Engineers began the project in February 2018, and JAXPORT's focus initially is to see completion of the first 11 of the 13 authorized miles, which could be complete by 2023.

BERTH IMPROVEMENTS

JAXPORT is investing more than $140 million to rebuild or modernize its container berths at its Blount Island and Talleyrand marine terminals. This is a multi-year project with completion by end of 2020.

DAMES POINT AUTO TERMINAL

JAXPORT has signed two long-term leases which recently added 22 acres for auto handling with plans for an additional 40 acres at Dames Point.

SSA INTERNATIONAL TERMINAL

SSA Marine and JAXPORT reached a historic agreement in 2019 to build out 80 acres on Blount Island Marine Terminal. The facility, the SSA Jacksonville Container Terminal (JCT), will receive three Neo-Panamax container cranes to serve the largest vessels calling the U.S. East Coast.

$1.8 BILLION IN TRANSPORTATION INVESTMENTS

The state of Florida has led the way in supporting road and transportation improvements in Northeast Florida to ensure continued smooth flow of traffic in and around our cargo terminals.

WORKFORCE EDUCATION

JAXPORT engages in partnerships with companies and organizations educating people of all ages about port-related career opportunities.

GIVING

Every year, JAXPORT raises funds for United Way of Northeast Florida and Community Health Charities of Florida.

SPONSORSHIPS

JAXPORT recognizes the importance of supporting the local community and sponsors community programs, events and activities deemed vital to enhancing the economic vitality of the region.

ENVIRONMENTAL STEWARDSHIP

JAXPORT is committed to environmental stewardship through initiatives aimed at pollution prevention, waste reduction, storm-water management, marine animal and plant species protection, and green port initiatives.

INVESTING IN RENEWABLE ENERGY

A multi-faceted rehabilitation project of the main berth at JAXPORT's Blount Island Marine Terminal is in progress to increase energy efficiencies, reduce emissions from diesel-powered cranes and enhance night time operations with high-powered LED lighting.

The project includes the installation of a high-voltage electrical system to power the port's three 100-gauge electric container cranes. The cranes work on regenerative power, consuming power during the lifting of containers and creating energy as they lower.

JAXPORT PROCUREMENT

MISSION

To promote cost effective and efficient procurement of goods and services for the benefit of the Jacksonville Port Authority.

VISION

To create customer satisfaction by providing value and efficiency to each purchase in accordance with local, state and federal guidelines, while promoting fair and equitable opportunity for all qualified vendors and contractors.

Construction and engineering firms as well as commodities and service vendors should register as a supplier to receive related bids. Supplier forms can be found at JAXPORT.com/Procurement.

CREATING BIG OPPORTUNITIES FOR SMALL BUSINESSES

While contributing to the economic growth, diversity and vitality of Northeast Florida, JAXPORT is committed to promoting equal opportunities in all capital and procurement contracts.

This commitment is implemented through JAXPORT's Small and Emerging Business Program.

JAXPORT's policy is to require the inclusion of small businesses and minority-owned firms in contract awards and projects whenever feasible. This policy is consistent with the mandate of the United States Department of Transportation, as set out in Title 49 of the Code of Federal Regulations, Part 23.

To participate in the program, business owners must be certified with the City of Jacksonville's Small and Emerging Business Program.

SECURITY

JAXPORT's state-of-the-art Security Operations Center (SOC) monitors JAXPORT terminals 24/7 using sophisticated technology including interoperable communications, video analytics and other sensory devices. The SOC serves as the nerve center for Public Safety monitoring and communications at our port.

Our Public Safety team manages a comprehensive security program meeting the mandates of the Federal Maritime Transportation Security Act (MTSA) of 2002, enforced by the United States Coast Guard. JAXPORT also fields a Marine Security Unit capable of patrolling our waters to detect threats to personnel, vessels and infrastructure.

While featuring robust security measures, JAXPORT facilities remain among the most efficient in the South Atlantic. Physical security measures, technology, contract security personnel, JAXPORT Public Safety Personnel and police officers integrate seamlessly to offer visitors and tenants a safe, secure and productive business environment.

2. A valid Transportation Worker Identification Credential (TWIC) or a TWIC Escort.
3. Valid, laminated, government-issued photo ID for all passengers. (Temporary paper licenses are only accepted when accompanied by the original expired ID card.)

GUEST, VENDORS AND OTHER VISITORS

Individuals entering JAXPORT terminals **more than five times in a calendar year** MUST have a valid Transportation Worker Identification Credential (TWIC) plus a JAXPORT Business Purpose Credential.

Individuals without both of these credentials MUST:

1. Present a valid government-issued photo ID.
2. Be accompanied by a JAXPORT-authorized TWIC Escort at all times. The TWIC Escort MUST present a completed TWIC Escort Form to gate security and remain with the escorted visitor at all times.

Learn more about obtaining these credentials at JAXPORT.com/Port-Access.
