

# FOREST PRODUCTS

## MAXIMIZE YOUR CONNECTIVITY AND SPEED

### STRATEGIC SOUTHEAST U.S. LOCATION

JAXPORT terminals integrate with three U.S. interstates, on-dock rail, 40 daily trains and more than 100 trucking and drayage firms to efficiently move your cargo.

### REAL-TIME ACCESS TO YOUR PAPER INVENTORY

JAXPORT's dedicated forest product terminal operators provide you with the tools you need to optimize your supply chain.

### ON-DOCK WAREHOUSING

Utilize up to 1 million square feet of on-dock warehouse space, including covered rail car loading areas designed to protect your cargo. Millions of square feet of additional space are located within minutes of JAXPORT's terminals.

### SAFE HANDLING

Jacksonville's skilled workforce offers a variety of labor options to handle all types of forest products from logs and lumber, to paper products and wood pulp, and more.

### GLOBAL CONNECTIONS

The port offers global services from dozens of ocean carriers, including direct service with Asia, South America, the Caribbean and other key markets.
