

PATRICK "JOEY" GREIVE

CHIEF FINANCIAL OFFICER

Patrick "Joey" Greive joins JAXPORT as Chief Financial Officer, responsible for JAXPORT's budget and accounting, treasury, payroll, and external auditing functions. In addition, he oversees JAXPORT's \$600 million capital program and serves as the port's primary liaison with bondholders, lenders and credit rating agencies.

Greive is a finance and administration executive with more than 15 years of experience, most recently serving the City of Jacksonville as the Director of Finance and Administration and Chief Financial Officer. In that role, he led 350 employees across several divisions and collaborated with city leaders and policymakers to develop financial initiatives to achieve strategic goals. As a result, he advanced economic policies and practices resulting in over \$500 million of debt reduction, reformed pension systems, and a tripling of operating reserves since 2015.

Greive also held other roles at the City, including Treasurer, Chief Investment Officer, and Pension Administrator.

Before his career in public service, Greive served as a lead investment advisor for Merrill Lynch, where he led a team of advisers managing client assets, investments, relationships, and sales strategies.

Greive is a Certified Financial Planner (CFP) and holds a CFA (Chartered Financial Analyst) designation through the CFA Institute, a not-for-profit organization comprising the world's largest association of investment professionals. He holds Bachelor of Science degrees in Finance and Real Estate from Florida State University.
