

JAX HARBOR MAP

**JAXPORT: X MARKS THE SPOT
FOR UNMATCHED EFFICIENCIES**

JAXPORT owns, maintains and markets three cargo terminals, two intermodal container transfer facilities and a passenger cruise terminal along the St. Johns River.

With a 47-foot harbor to the Blount Island terminal, open berthing windows seven days a week, two-way vessel traffic, and a focus on efficiency and safety, vessels remain on schedule at JAXPORT, lowering costs for carriers and shippers.
