

FOREST PRODUCTS

MAXIMIZE YOUR CONNECTIVITY AND SPEED

STRATEGIC SOUTHEAST U.S. LOCATION

JAXPORT terminals integrate with three U.S. interstates, on-dock rail, 40 daily trains and more than 100 trucking and drayage firms to efficiently move your cargo.

REAL-TIME ACCESS TO YOUR PAPER INVENTORY

JAXPORT's dedicated forest product terminal operators provide you with the tools you need to optimize your supply chain.

ON-DOCK WAREHOUSING

Utilize up to 1 million square feet of on-dock warehouse space, including covered rail car loading areas designed to protect your cargo. Millions of square feet of additional space are located within minutes of JAXPORT's terminals.

SAFE HANDLING

Jacksonville's skilled workforce offers a variety of labor options to handle all types of forest products.

GLOBAL CONNECTIONS

The port offers global services from dozens of ocean carriers, including direct service with Asia, South America, Europe, the Caribbean and other key markets.
