

JAXPORT SPONSORSHIP POLICY

The Jacksonville Port Authority (JAXPORT) recognizes the importance of supporting the local community. Therefore, it is the policy of JAXPORT to sponsor community programs, events, activities or matters deemed vital to supporting the economic vitality of the region.

PILLARS OF COMMUNITY SUPPORT

JOBS/ECONOMIC BENEFIT

Sponsorship opportunities include career fairs, chamber events, logistics and maritime-related trade associations or any organizational events, programs or activities that support economic growth through employment offerings.

SMALL BUSINESS

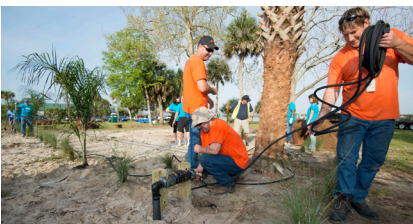

JAXPORT supports programs, events and workshops relating to the education of small businesses in learning how to bid for projects.

Additionally, JAXPORT consistently strives to support all programs that lead to growth and revenues for our small and emerging business community.

COMMUNITY

JAXPORT is committed to supporting community-based activities or programs that promote the general welfare of our community and promote port-related alliances, governmental cooperatives, strategic opportunities for JAXPORT employee volunteerism and community outreach efforts. The highest priority consideration will be given to those communities adjacent to port properties or those impacted by port operations.

ENVIRONMENT

JAXPORT is committed to sponsoring programs that promote environmental protection and/or stewardship through educational projects and initiatives aimed at pollution prevention, waste reduction, storm-water management, marine animal and plant species protection and more.

EDUCATION

JAXPORT focuses on educating people of all ages about career opportunities at the port and with all companies associated with the movement of cargo.

Opportunities for sponsorships include, but are not limited to career academies, educational scholarships and life-long learning programs.

All requests for JAXPORT participation in sponsorship opportunities must be submitted in writing using the JAXPORT Sponsorship Application. JAXPORT will accommodate request that comply with sponsorship priorities listed on this form and are within port budgetary constraints.
