

FRESH AND FROZEN

FROM SEA TO SHORE, TO YOUR CUSTOMER'S DOOR, JAXPORT IN JACKSONVILLE, FL, USA IS YOUR HUB WITHIN AN END-TO-END COLD CHAIN SOLUTION.

TOP 10 U.S. REEFER CONTAINER PORT

JAXPORT ranks among the nation's leading container ports for refrigerated and frozen cargo, efficiently handling a wide range of temperature-controlled commodities - from seafood, poultry and produce to pharmaceuticals.

GLOBAL CONNECTIONS

JAXPORT's global network connects cargo owners to key international markets with reliable service across major trade lanes:

- Direct ocean carrier services linking Jacksonville with 140+ ports in 70+ countries
- Strong service lanes with Puerto Rico & the Caribbean and Central America for exports
- Growing import volumes from Asia, South America and Europe

INTEGRATED COLD CHAIN ECOSYSTEM

To help safeguard temperature-sensitive cargo from dock to stock, JAXPORT's cold chain system provides:

- On-dock reefer plugs to maintain temperature at the port
- Extensive cold storage and distribution centers within minutes of port terminals
- Full suite of partner services: blast freezing, fumigation, USDA inspection, re-packing, cross-docking, and flexible hours
- Providers support 24/7 cargo monitoring and regulatory compliance

MOVE REFRIGERATED CARGO FROM PORT TO INLAND MARKETS - FAST.

JAXPORT connects refrigerated cargo to major U.S. consumer markets with direct ocean services and efficient inland options.

WHY JAXPORT? FAST REACH

JAXPORT provides same-day truck access to more than 98 million U.S. consumers, including 18 million Florida residents located within a four-hour drive, helping you reach key markets quickly and efficiently.

INLAND OPTIONS TO KEEP FREIGHT MOVING

With Class I rail service, regional rail connections and on-dock providers, JAXPORT offers 40 daily trains, enabling efficient cargo transfers and reliable distribution planning.

BALANCED IMPORTS & EXPORTS: VALUE FOR SHIPPERS

The port's balanced flow of inbound and outbound cargo can help you reduce empty container repositioning, and find equipment when and where you need it, supporting smoother planning and more predictable moves.

YOUR PARTNER FOR SUPPLY CHAIN SOLUTIONS

JAXPORT's commercial team facilitates connections across carriers, terminals and regional service providers - so you can identify the right routing and partners to protect product integrity and keep freight on schedule.

OCEAN SERVICE CHOICE

A strong roster of ocean carriers provides routing and schedule options for refrigerated supply chains - supporting direct services and broader connectivity to key trade lanes.
